Royal Cookies & Treats: Perfect for Playdates

While cakes are wonderful for birthdays, cookies and small treats are perfect for everyday snacking and sharing with friends. These **64 Easy Bake Oven recipes for girls**include several cookie recipes that are designed for the small, controlled heat of the Easy Bake Oven. Princess Sugar Cookies

A staple in any collection of **Little Princess Easy Bake Oven recipes**, these cookies are simple to make. Combine 1 tablespoon of butter (softened), 1 tablespoon of sugar, and a few drops of vanilla. Mix in 2 tablespoons of flour until a dough forms. Roll into small balls, flatten slightly on the pan, and bake until the edges turn golden. Let them cool completely before decorating with royal icing and edible pearls.

Chocolate Chip Cookie Buttons

These bake quickly and are excellent for little fingers. They are one of the most requested **64 Easy Bake Oven recipes for girls**because they are so satisfying to make and eat.

Strawberry Shortcake Bites
