It wisely prioritizes the immediate threat posed by Dr. Dee while dropping subtle hints about the larger cosmic conflicts that await in future installments. Cast and Characters: Who's Who in the Trailer

A trailer is only as strong as the talent it showcases, and this cast is exceptional. The role of Nicholas Flamel is portrayed with a weary yet brilliant gravitas, perfectly capturing a man who has lived for centuries and carries the weight of that history. The casting of the Newman twins has been the subject of much online discussion, and the trailer confirms that the young actors have palpable chemistry.
