Introduction: Why Consider a Career at 99 Cents Only Stores?

For decades, 99 Cents Only Stores has been a beloved destination for budget-conscious shoppers across California, Texas, Arizona, and Nevada. Known for its treasure-hunt shopping experience and extreme value pricing, the chain has built a loyal customer base. But behind the shelves stacked with national brands and fresh produce lies a diverse workforce that makes the magic happen every day. If you are exploring **99 Cent Only Store careers**, you are looking at more than just a job—you are considering a role in a fast-paced retail environment that offers stability, growth potential, and a unique company culture. Whether you are a student seeking part-time work, a seasoned manager looking for a new challenge, or someone reentering the workforce, the opportunities at 99 Cents Only Stores are worth exploring.

The company operates over 370 locations and employs thousands of people across store, distribution, and corporate levels. With a mission to provide extreme value while maintaining a fun shopping atmosphere, the retailer values teamwork, customer service, and efficiency. In this article, we will dive deep into the types of jobs available, the benefits of working there, how to apply, and what you can expect from a career with this iconic discount chain. Let us explore what makes **99 Cent Only Store careers**a compelling option for job seekers in the retail industry.

Overview of 99 Cents Only Stores: A Retail Powerhouse

Founded in 1982 by Dave Gold, 99 Cents Only Stores grew from a single location in Los Angeles to a regional giant. The company is famous for its fixed-price model, where most items sell for around 99 cents, though some products are priced higher. This approach requires efficient operations, tight inventory management, and a dedicated workforce. The company went private in 2012 and has since focused on refining its stores and expanding its private-label offerings. Despite economic ups and downs, the brand remains resilient because shoppers always seek bargains.

Careers at 99 Cents Only Stores are not just about ringing up purchases. Employees are part of a system that moves high volumes of merchandise daily. From unloading trucks to stocking shelves, assisting customers, and managing store operations, each role contributes to the overall success. The company prides itself on promoting from within, making entry-level positions a springboard to long-term career growth. Understanding the company's history and values helps job applicants appreciate why **99 Cent Only Store careers**can be rewarding beyond the paycheck.

Types of Careers Available at 99 Cents Only Stores

The job opportunities at 99 Cents Only Stores span multiple departments and skill levels. Whether you prefer working directly with customers or behind the scenes, there is likely a role that fits. Below are the main categories of **99 Cent Only Store careers** you can pursue.

Store-Level Positions

The majority of employees work in stores. These frontline roles include:

- Sales Associate / Cashier: Greet customers, scan items, handle cash, and maintain a clean checkout area. This is the most common entry-level position and a great way to learn retail basics.
- Stock Clerk / Merchandiser: Unload shipments, restock shelves, rotate inventory, and ensure product displays are attractive. Physical stamina and attention to detail are key.
- Customer Service Representative: Assist with returns, exchanges, and customer inquiries. Strong communication skills are essential.
- Receiver / Backroom Clerk: Manage incoming freight, verify invoices, and organize the backroom. This role is critical for keeping the store well-stocked.

These positions often require flexibility in scheduling, including evenings and weekends. Many stores offer part-time and full-time options, making **99 Cent Only Store careers**accessible to students, parents, and retirees alike.

Management Roles

For those with leadership experience, management positions offer greater responsibility and higher pay. Common management titles include:

1. Assistant Store Manager: Supports the store manager in overseeing daily operations, staff scheduling, inventory control, and customer service. Often requires previous retail supervisory experience.
2. Store Manager: Responsible for the entire store's performance, including sales targets, payroll, employee development, and compliance. Managers at 99 Cents Only Stores are expected to be hands-on and motivated.
3. District Manager: Oversees multiple stores within a region, conducts visits, analyzes metrics, and coaches store managers. This is a corporate-adjacent role requiring extensive travel and strategic thinking.

Management roles at the company are known for providing competitive salaries and bonus opportunities. Many district managers started as store managers, reflecting the company's commitment to internal promotion.

Corporate Careers

Behind the scenes, the company's headquarters in Commerce, California, employs professionals in various fields. Corporate **99 Cent Only Store careers** include:

- Buying / Procurement: Merchants who negotiate with vendors, select products, and ensure the store offers the best deals. This is a core function given the discount model.
- Supply Chain and Logistics: Professionals managing distribution centers, transportation, and inventory planning to keep stores stocked efficiently.
- Marketing and Advertising: Teams that create circulars, social media content, and in-store signage to drive traffic.
- Finance and Accounting: Handle budgeting, financial reporting, and payroll for thousands of employees.
- Human Resources: Recruit, train, and support employees across the organization.
- Information Technology: Maintain point-of-sale systems, e-commerce platforms, and internal networks.

Corporate roles typically require specialized degrees or equivalent experience, but they offer a different pace from store life. The company values innovation and cost-consciousness at every level.

Benefits of Working at 99 Cents Only Stores

When evaluating **99 Cent Only Store careers**, benefits are a significant factor. The company offers a range of perks designed to attract and retain talent. While specific benefits may vary by position and location, common offerings include:

- Health Insurance: Medical, dental, and vision coverage for eligible full-time employees.

- Paid Time Off: Vacation, sick leave, and holidays for qualifying staff.
- Employee Discount: A discount on store merchandise, which can be substantial for frequent shoppers.
- 401(k) Retirement Plan: With company match, helping employees save for the future.
- Flexible Scheduling: Especially for store-level roles, accommodating school or family needs.
- Career Development Programs: Training courses, leadership workshops, and tuition reimbursement in some cases.
- Recognition Programs: Awards and bonuses for performance milestones.

Beyond tangible benefits, many employees appreciate the fast-paced environment and the camaraderie among coworkers. Working for a discount retailer can be surprisingly dynamic, as product assortments change frequently and customers often have urgent needs. For those who thrive on activity, **99 Cent Only Store careers** provide a stimulating workplace.

How to Apply for 99 Cent Only Store Careers

The application process for the company is straightforward. Here are the steps and tips to increase your chances of landing a job:

1. Visit the Official Careers Website: Go to the 99 Cents Only Stores corporate website and click on the “Careers” section. You can search for openings by location, keyword, or department.
2. Create a Profile: Register and upload your resume. Ensure your contact information is accurate.
3. Complete the Application: Fill out the online form thoroughly. Be honest about your work history and availability. Many store positions require you to indicate preferred hours.
4. Take an Assessment: Some roles may require a short online test related to retail scenarios or numerical reasoning.
5. Interview: If selected, you’ll be contacted for an interview. For store roles, this is often a one-on-one with a manager. Dress professionally, even for a discount store. Prepare examples of your customer service skills, reliability, and flexibility.
6. Background Check: Most positions require a background check. A clean record is typically necessary.
7. Onboarding: After an offer, you’ll complete paperwork and start training.

Tip: Walk into a store and ask about openings. Many store managers appreciate initiative. However, the official application process remains online. Networking with current employees can also help.

Career Growth and Advancement Opportunities

One of the most attractive aspects of **99 Cent Only Store careers**is the potential for upward mobility. The company heavily promotes from within. A typical career path might start as a part-time cashier, then move to stock clerk, then to department lead, assistant manager, and eventually store manager. With dedication, you can advance in a few years. District managers and corporate field managers often began on the sales floor. The company also offers cross-training, allowing employees to learn multiple roles. If you demonstrate leadership and a strong work ethic, your chances for promotion are high.

Moreover, the retail skills you gain—inventory management, customer relations, team leadership, and data analysis—are transferable to other industries. Even if you eventually leave the company, the experience from **99 Cent Only Store careers**can bolster your resume. The company also participates in internal job boards, making it easy for employees to apply for corporate positions as they become available.

Employee Experiences and Testimonials

While individual experiences vary, many current and former employees highlight positive aspects. Common themes include the supportive team environment, the fast pace that makes shifts go quickly, and the feeling of

helping customers save money. Store-level employees often mention that the work is physically demanding but rewarding. Supervisors tend to appreciate the autonomy they have to run their stores. Corporate staff enjoy the focus on efficiency and results.

Work-Life Balance

Retail inherently involves irregular hours, but the company tries to accommodate preferences. Many employees report that scheduling is fair and managers are understanding of personal needs. However, during peak seasons like holidays, extra hours may be required. Some stores offer set schedules for part-timers, which helps with planning.

Training and Development

New hires typically go through a brief training period where they learn store policies, safety procedures, and the point-of-sale system. The company also provides ongoing training through modules and on-the-job coaching. For management candidates, there are formal development programs that cover budgeting, leadership, and operations. This investment in employees is one reason why **99 Cent Only Store careers**can lead to long tenure.

Conclusion: Is a Career at 99 Cents Only Stores Right for You?

99 Cents Only Stores offers a unique niche in the retail landscape. For job seekers, the company provides accessible entry points, competitive benefits, and clear pathways for advancement. Whether you are looking for a first job, a career change, or a step up in retail management, exploring **99 Cent Only Store careers**could be a smart move. The company culture values hard work, teamwork, and a sense of urgency—qualities that serve employees well throughout their careers. With a wide range of roles from the sales floor to the executive suite, there is a place for many talents. If you are ready to work in a dynamic environment where no two days are the same, consider applying today. Your next opportunity might be just a click away.
