Often referred to informally as **I Am Number Four 6**, the official title is *The Fate of Ten*. Understanding the Lorien Legacies Universe

Before diving into **I Am Number Four 6**, it's essential to recap the broader narrative. The Lorien Legacies follow a group of nine Garde children sent to Earth after their home planet was destroyed by the Mogadorians. Each Garde possesses unique Legacies — superhuman abilities that awaken as they mature. Numbered one through nine, they are protected by a charm that allows them to be killed only in numerical order. The first book introduced us to Number Four (John Smith) and his Cêpan, Henri. The sixth book, *The Fate of Ten*, picks up after the shocking events of *The Revenge of Seven*. At that point, the Garde have secured the Loric ship, acquired new Legacies, and suffered the loss of Number Five, who betrayed them. The stakes are higher than ever: the Mogadorian leader, Setrákus Ra, is preparing to unleash a devastating weapon that could destroy Earth.
