Your Complete Guide to the Skylanders Magic Items Checklist and Skylanders Character List

For nearly a decade, the **Skylanders** franchise has captivated gamers and collectors with its innovative blend of physical toys and video game magic. From the moment you placed your first figure on the Portal of Power, you were transported to a vibrant world where every character, item, and trap held unique powers. Whether you are a seasoned veteran or a newcomer looking to start your collection, having a reliable **Skylanders Magic Items Checklist** and **Skylanders Character List**is essential. These tools help you track what you own, identify what you are missing, and understand the intricate ecosystem of the Skylanders universe. In this article, we will explore the most important magical items, break down the extensive roster of characters across every game, and offer practical advice for completing your collection.

Understanding Skylanders Magic Items

Magic items in Skylanders are special collectible objects that unlock unique abilities, bonuses, or in-game effects. Unlike characters, they do not level up or gain new skills, but they often provide crucial advantages during gameplay. Some magic items grant temporary buffs, while others open hidden areas or summon helpful allies. To get the most out of your adventure, it helps to maintain a detailed **Skylanders Magic Items Checklist** so you never miss a critical edge in battle.

What Are Magic Items Used For?

Magic items serve various purposes across the different Skylanders games. In **Skylanders: Spyro's Adventure** , for example, items like the **Anvil Rain** and **Ghost Sword** provide offensive boosts. In later titles such as **Skylanders: Trap Team** , magic items can help you capture elusive villains or reveal hidden treasure chests. A comprehensive **Skylanders Magic Items Checklist**will list every item by game, making it easier to see which ones you still need to find or purchase.

Types of Magic Items

Magic items generally fall into several categories:

- Consumable Items – These are single-use items that provide a temporary effect, such as a health boost or extra damage.
- Summonable Items – These items call forth a helper or a special effect, like the Dragonfire Cannon or the Scorpion Striker.
- Key Items – These are required to unlock specific doors, gates, or secret areas in the game world.
- Stat Boosting Items – These permanently increase your character's stats, such as max health or speed,

when used in the hub world.

Knowing these categories helps you prioritize which items to add to your **Skylanders Magic Items Checklist** first.

Building Your Skylanders Magic Items Checklist

Creating a thorough **Skylanders Magic Items Checklist**requires tracking items from each game in the series. Below is a breakdown of notable magic items from the main titles. Use this as a starting point for your own checklist.

Skylanders: Spyro's Adventure Magic Items

- Anvil Rain – Drops anvils on enemies.
- Ghost Sword – Summons a spectral sword that damages foes.
- Time Twister – Slows down enemies temporarily.
- Scroll of Time – Slows time for puzzle solving.
- Sky-Iron Shield – Provides a temporary defensive barrier.

Skylanders: Giants Magic Items

- Platinum Sheep – Summons a sheep that distracts enemies.
- Dragon's Peak – A location-based item that unlocks a bonus level.
- Empire of Ice – Another location item that opens an adventure pack.

Skylanders: Swap Force Magic Items

- Big Bang Boomerang – A throwing weapon that explodes on impact.
- Flame Boomerang – A fire-infused boomerang.
- Sky Diamond – Increases your gold collection temporarily.

Skylanders: Trap Team Magic Items

- Bone Chiller – Freezes enemies in place.
- Nightmare Express – A train that damages enemies on a track.
- Rocket Ram – A charging ram that knocks back foes.

Skylanders: Superchargers Magic Items

- Boost Pad – Gives your vehicle a speed boost.
- Shield Generator – Protects your vehicle from damage.
- Turbo Pack – Increases your vehicle's acceleration.

Skylanders: Imaginators Magic Items

- Creation Crystal – Used to create your own custom Skylander.
- Battle Chests – Contain collectible items and crafting materials.
- Mystery Chests – Random loot including rare items.

Keeping a detailed **Skylanders Magic Items Checklist**that spans all these games will ensure you never overlook a valuable item again.

The Ultimate Skylanders Character List

Now, let's dive into the heart of the collection: the characters themselves. The **Skylanders Character List**is vast and varied, featuring heroes and villains from ten elements. Each character brings unique moves, upgrade paths, and personality to the game. Below, we break down the roster by element and by game series to help you build your ultimate checklist.

Elemental Breakdown of Skylanders

Every Skylander belongs to one of ten elements. Understanding these elements helps you strategize Skylanders Character List each level and which ones you still need to complete your

- Fire – Ignitor, Flameslinger, Eruptor, Smolderdash, Blast Zone.
- Water – Gill Grunt, Zap, Slam Bam, Chill, Snap Shot.
- Life – Stealth Elf, Camo, Stump Smash, Zook, Bumble Blast.
- Undead – Hex, Chop Chop, Cynder, Ghost Roaster, Eye-Brawl.
- Earth – Terrafin, Prism Break, Crusher, Flashwing, Wallop.
- Air – Lightning Rod, Whirlwind, Warnado, Blades, Thunderbolt.
- Magic – Spyro, Voodood, Double Trouble, Pop Fizz, Star Strike.
- Tech – Trigger Happy, Drobot, Drill Sergeant, Boomer, Gearshift.
- Dark – Nightfall, Starcast, Dec-Ember, Wolfgang, Knight Light.
- Light – Knight Mare, Astro Blast, Mysticat, Polar Knight, Spotlight.

Skylanders Character List by Game

To make your **Skylanders Character List**truly comprehensive, you need to track characters by the game in which they were introduced. Here is a high-level overview of the core roster from each major title.

Skylanders: Spyro's Adventure (Original 32)

The game that started it all featured 32 core characters, many of whom remain fan favorites. Some highlights include Spyro, Gill Grunt, Trigger Happy, Stealth Elf, and Hex. This set also included three special variants like the Dark Spyro and Legendary Trigger Happy. Any serious **Skylanders Character List** begins here.

Skylanders: Giants (48 New Characters)

The Giants expansion introduced eight massive Giant characters, each tied to an element. These included Tree Rex, Eye-Brawl, and Bouncer. In addition, 40 new core characters joined the roster, such as Hot Dog, Pop Fizz, and Sprocket. The Giants themselves are a must-have for any **Skylanders Character List**because they can destroy special obstacles.

Skylanders: Swap Force (84 Playable Characters)

Swap Force revolutionized the series with swappable characters. Sixteen Swap Force characters could be mixed and matched, creating over 250 combinations. The full character list for this game also included returning favorites and new core figures like Blast Zone, Free Ranger, and Rattle Shake. Adding these to your **Skylanders Character List** adds incredible variety to your gameplay.

Skylanders: Trap Team (Over 100 Characters)

Trap Team introduced the ability to capture villains and play as them using Traps. This meant the character list expanded significantly to include dozens of villains like Kaos, Dreamcatcher, and Lob Goblin. In addition, new Skylanders like Snap Shot, Food Fight, and Krypt King joined the roster. Capturing every villain is a worthy goal for any **Skylanders Character List** completionist.

Skylanders: Superchargers (Vehicle + Character Combos)

Superchargers shifted focus to vehicle combat. This game introduced 20 new characters and 20 vehicles, each with land, sea, or sky capabilities. Notable new characters included Spitfire, High Volt, and Stormblade. For your **Skylanders Character List**, you will also want to track the vehicle variants, as they are required to fully complete certain levels.

Skylanders: Imaginators (Over 100 Characters + Creation Crystals)

The final mainline game, Imaginators, allowed you to create your own Skylander using Creation Crystals. It also brought back many classic characters as "Senseis" and introduced new ones like King Pen, Starcast, and Wolfgang. Your **Skylanders Character List**for Imaginators should include all Senseis, as each one unlocks a

unique battle class and Imaginator creation part.

Tips for Completing Your Collection

Building a complete **Skylanders Magic Items Checklist** and **Skylanders Character List**is an exciting challenge. Here are some practical tips to help you on your journey.

Organize Your Checklist by Game and Element

Start by sorting your checklist by the game in which each item or character first appeared. Then, within each game, sort by element. This makes it easy to see gaps at a glance. For example, if you are missing a Fire element character from **Swap Force**, you will immediately know which one you need.

Prioritize Rare and Exclusive Items

Some magic items and characters were only available at special events, through pre-orders, or as store exclusives. Examples include the **Legendary** variants, the **E3** exclusive characters, and the **Dark Edition** items. These are often the hardest to find, so prioritize them early if you are serious about a complete collection.

Use Online Communities and Price Trackers

There are many dedicated Skylanders collector forums, Facebook groups, and price tracking websites. Joining these communities can help you find fair deals and verify the authenticity of rare items. Other collectors can also share their own **Skylanders Magic Items Checklist** and **Skylanders Character List**spreadsheets, which you can adapt for your own use.

Inspect Secondhand Items Carefully

If you are buying used figures or magic items, check for damage, missing parts, or wear on the base. A figure with a damaged chip may not work on the Portal of Power. Always test items if possible, or buy from reputable sellers who guarantee functionality
