Who Was Ashok Kamte? The Man Behind the Uniform

Before he became a symbol of martyrdom during the 26/11 Mumbai terror attacks, Ashok Kamte was a man of extraordinary depth, intellect, and compassion. Born into a family with a rich military and service background, Kamte was destined for a life of purpose. He was a graduate of the prestigious National Defence Academy (NDA) before joining the Indian Police Service (IPS) in 1989. However, what set Ashok Kamte apart was not just his impressive career trajectory but his unique philosophy of policing.

He believed in a humane and compassionate approach to law enforcement. He was known for his gentle demeanor, his love for poetry, and his ability to connect with people from all walks of life. Colleagues and subordinates remember him as a leader who led from the front, not one who commanded from behind a desk. His service record was impeccable, with stints in various challenging roles, including serving as the Superintendent of Police in Solapur and later as the Additional Commissioner of Police (East Region) in Mumbai. The **inspiring story of a braveheart Ashok Kamte Vinita** begins with understanding the profound character of this man who saw his job as a calling, not just a career.

The Fateful Night of 26/11: A Stand Against Terror

November 26, 2008, began as a normal day for Ashok Kamte. He was on duty, commanding the forces in the eastern region of Mumbai. When news of multiple coordinated terrorist attacks broke out, everything changed. The attacks, which targeted the Chhatrapati Shivaji Terminus, the Oberoi Trident, the Taj Mahal Palace Hotel, and other locations, plunged the city into chaos. Kamte’s response was immediate and decisive. He didn't wait for orders; he moved towards the danger.

The most critical moment came when he was ordered to proceed to the Cama and Albless Hospital, where terrorists were believed to be hiding. He took command of a police vehicle, along with fellow officer Vijay

Salaskar. At the junction of Bada Kadam and Dr. Shankar Ghanekar Marg, their vehicle was ambushed by two heavily armed terrorists, Ajmal Kasab and Abu Ismail. What followed was a desperate, close-quarters firefight. Kamte and Salaskar fought back valiantly, even as the vehicle they were in was riddled with bullets. According to eyewitness accounts and the subsequent trial, Ashok Kamte fired his service To The Last Bullet. He was struck by multiple bullets and died on the spot, a true braveheart who gave his life protecting his city.
